## About C

C is a 54.6m aluminum Baglietto, delivered in February 2021. Built for an experienced and very private-multi-yacht owner to accommodate his large family. C is fully custom-built with a high-volume interior, and many versatile areas for different age groups and lifestyles of a large family.

A multi-deck motor yacht, C can accommodate up to 17 guests across seven suites: two master suites along with two VIP suites located on the main deck, with two double cabins equipped with Pullmans and a children's cabin located on the lower deck.

Her exterior lines were designed by Horacio Bozzo Design. Timeless and modern, C has a breezy beach club, open on three sides to allow for maximum airflow and light.

Up on the upper deck, adults will find themselves within a glamorous space dedicated to play. Richer tomes give the space a more mature feel with a dedicated card table and a projector for movie nights.

Her interior is where C really shines, designed by Hot Lab, higher than standard headroom means she enjoys more volume than usual; she feels much larger than her 54m. With two master suites, the designers chose to create an elegant, cozy space, with light-colored oak and titanium, finished with gold leaf accents throughout. Cool marble and calming blues and greens provide the perfect chic backdrop for the adult rooms, mirroring the shimmering sea.

C also enjoys a fully equipped gym, massage room, and hammam. Privacy between the guests and crew is emphasized onboard. The galley located on the lower deck allows the undisturbed flow of guests on the main deck. Crew accommodations are above standard, housing 13 members across six bunk cabins, also on the lower deck and a Captain's cabin on the bridge. Guests can expect a totally hands-off, pampered experience. Every whim has been carefully considered.
